

# STIGMA FREE FISHERS

## CREDIBLEMIND

Stigma Free Fishers powered by CredibleMind is a confidential platform that provides accessible, evidence-based resources, education, and assessments to you at no cost!

## DIGITAL TOOLKIT

The digital toolkit highlights more resources, including infographics, guides, and additional toolkits from Mental Health America and the American Psychiatric Association!

## CLUB HUB

Club Hub is an opportunity to bring residents and businesses closer than ever. By enrolling in this program, businesses invite clubs and social groups to meet within their space. Enrolled businesses will be put on a dashboard so interested clubs can find and connect with the spaces that best meet their needs.

Businesses interested in collaborating on mental health or other initiatives, please contact JJ Sharp ([Sharpj@fishers.in.us](mailto:Sharpj@fishers.in.us)) to discuss further.
